

Commitment '09

November 20, 2008

Once again we are committed to making 2009 the Year that Thunderbird District tops all the charts! This is a large undertaking that is achievable with your help.

NOVEMBER 20, 2008 will, once again, be a historic night in the Thunderbird district. Thanks to each unit's cooperation, last year's "Commitment" event was so successful that each district is copying our success in '08! With your help, the Thunderbird district will set the pace as the first district to **complete the rechartering process, schedule 100% FOS presentations, train 100% of our direct contact leaders and achieve 100% Centennial Award Participation.**

The process is simple and we are here to help! It begins on October 2nd when your Unit's 2008 Commitment Packet will be available. It will contain all the information your Unit needs for a successful **rechartering and Centennial Quality Unit Award completion.** Come prepared with your **completed charter, FOS presentation date and current, adult training records.** On November 20th, Thunderbird District will have **3 convenient locations** for you to drop-off and complete the entire process. We will have trained volunteers on site to help make this as simple as possible. Sign-ups for this historic evening will begin at Roundtable on October 2nd, 2008.

Your help is vital to Thunderbird District becoming the leader in the Heart of America. Our Commitment is to provide your Unit with the tools and resources it needs to not only survive, but thrive.
